MAR 3 2 2003

Identification Number: C00332296

Reference: Amended July Quarterly Report (4/1/02-6/30/02), received 9/20/02

Dear Mr. Ruggiero:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

- Your report discloses disbursements to your connected organization for in-kind contributions to various candidates (pertinent portions attached). 2 U.S.C. §441b prohibits a corporation or labor organization from contributing or expending funds for the purpose of influencing any federal election, except that a connected organization may pay for the solicitation and administrative costs of its separate segregated fund. However, corporate/labor officials or employees may direct subordinates to plan, organize or carry out fundraising as part of their work, using corporate/labor organization resources, only if the corporation or labor organization receives advance payment for the fair market value of the services, including compensation, benefits and overhead. However, using coercion to urge anyone to engage in fundraising on behalf of, or make a contribution to, a candidate or political committee is prohibited. 11 CFR §114.2(f)(2)(i) Please refer to the enclosed sample of properly reported advance payment for use of resources and facilities.

The Commission notes your disclosure of these in-kind contributions to candidates on Line 23. However, it is also necessary for you to report the "advance payment" of these amounts on Line 21(b) to avoid the appearance of a prohibited contribution from your connected organization. If the transaction(s) in question was incompletely or incorrectly disclosed, you should amend your report with clarifying information. Although the Commission may take further legal action concerning this matter, your prompt action will be taken into consideration.

A response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,

CHAPTER 10

Use of Resources and Facilities

Under certain circumstances, corporations (including incorporated membership and trade associations) and labor organizations may allow candidates, political committees and individuals to use their resources and facilities (e.g., computers, phones, office equipment, furniture and rooms) in connection with federal elections. Described below are rules that apply to the use of facilities; note particularly when the user must reimburse the organization and when payment must be made in advance of the facility use.

This section does not apply to the use of an organization's facilities for the purpose of administering an SRF or raising funds for it. See pages 13 and 24.

1. Individual Volunteer Activity

Incidental Use

Corporate employees and stockholders and labor organization employees, members and officials may make occasional, isolated or incidental use of corporate/labor organization facilities for their own individual volunteer activities in connection with a federal election. Note that the Commission has said that the use of facilities during one hour per week or four hours per month is considered "incidental use." Note, however, that this safe harbor does not apply when the employee is asked by a superior to do the volunteer work as a part of his/her regular duties. 114.2(f)(2)(i)(A). See Use of Staff, this page.

Reimbursement

Incidental Use

When the individual's use of the facilities is occasional, isolated or incidental, the individual must reimburse the organization to the extent that his/her activity increased the corporate/labor organization's overhead or operating costs. 114.9(a)(1) and (b)(1).

Activity Exceeding Incidental Use
When the individual's use of facilities exceeds the time frame of "incidental use," the individual must, within a commercially reasonable time, reimburse the corporation/labor organization for the usual and normal rents/charge for facility use. 114.9(a)(2) and (b)(2).

Class, Solicitation by the Connected Organization, page 63). There are, however, three narrow exceptions.

Use of Staff

Corporate/labor officials or employees may direct subordinates to plan, organize or carry out fundraising as part of their work, using corporate/labor organization resources, only if the corporation or labor organization receives advance payment for the fair market value of the services, including compensation, benefits and overhead. However, using coercion to urge anyone to engage in fundraising on behalf of, or make a contribution to, a candidate or political committee is prohibited. 114.2(f)(2)(i)(A) and (iv). AO 1936-16.

2. Use in Fundraising

Corporations and labor organizations are generally prohibited from using their resources or facilities to engage in fundraising activities in connection with a federal election (except for fundraising for their own SRF—see Chapter 3. See also Appearances Before the Restricted

Use of Customer/Client Lists

A corporation or labor organization may, in connection with a fundraiser, use the organization's lists of customers, clients or vendors or others not in the restricted class to send invitations or solicit contributions only if the organization receives advance payment for the fair market value of the lists. 114.2(f)(2)(i)(C).

Use of Catering or Food Services

In connection with a fundraiser, the corporation or labor organization may operate or obtain catering or other food services only if the corporation or labor organization receives advance payment for the fair market value of the services. 114.2(f)(2)(i)(E).

Advance Payment

In Advance

"In advance" means before the staff services, the lists or the catering services are provided.

Permissible Sources

Any person who is not otherwise prohibited from making a contribution in connection with a federal election (e.g., an individual, PAC or campaign) may make the advance payment. For example, the candidate, the organization's separate segregated fund, the party, or an individual may make the advance payment.

Effect on Contribution Limits

Payments by the candidate or the candidate's committee will be considered campaign expenditures. Payments by any other person will be considered in-kind contributions to the candidate, subject to limits and reporting requirements.

3. Use of Offices and Equipment

If a committee or individual other than an employee or stockholder of a corporation, or a member or official of a labor organization, uses the corporate/labor organization facilities in connection with a federal campaign, the user must reimburse the organization within a commercially reasonable time and at the usual and nominal rental charge.
